CLARINS

With plants, you can see beauty grow. With plants, you can make women and the world more beautiful. This was Jacques Courtin-Clarins' vision when he opened the first Clarins Beauty Institute in Paris in 1954. To this day Clarins is committed to offering women around the world the best products and the best treatments using a unique combination of highly effective plant ingredients and perfect application techniques. Every plant extract from every continent is obtained following procedures which both respect and preserve our environment. So from erasing the signs of passing seasons from a face, to streamlining a silhouette, Clarins beauty programmes can be customised to all skin care needs and concerns.

It's a fact. With Clarins,
life's more beautiful.

GUINOT treatments

INSTITUT • PARIS

Massage makes the skin more beautiful and more radiant. Under the expert touch of the beauty therapist, and the smooth texture of Guinot massage cream, your face relaxes and your skin is rested and rejuvenated. The Guinot facial massage stimulates "new blood circulation" so the skin is oxygenated, energized and more radiant. Guinot was first to create skincare products containing the 56 active biological ingredients fundamental to cellular life and with more than 30 years of professional skincare experience in beauty clinics, Guinot treatment methods and formulas are the leading edge.

Please note listed treatment timings are indicative only and are inclusive of consultation and relaxation time.

Guinot has the experience to make every day more beautiful.

- Hydradermie 2 facials use the Hydraderm machine (unique to Guinot) which uses gentle galvanic and high frequency currents, in combination with manual massage and bespoke plant-based extracts. These treatments deeply penetrate the skin, stimulate cell renewal and restore the skin's natural beauty.
